

Dr. Rustam Ali Ahmed

Ph.D. (Computer Science & Engineering)

Assistant Professor (Sr Grade), Assam Down Town University

Barpeta Road, Assam – 781315

Phone: +91 7002453818, Email: ahmed.rustam77@gmail.com

ACADEMIC HIGHLIGHTS

- **20 Years of Full-Time Teaching Experience**
- **Ph.D. in Computer Science & Engineering (Tezpur University)**
- Publications in Journals & Springer-Indexed Conferences
- Ph.D. Supervision: 1 (Ongoing)
- Developed 15+ large-scale academic systems used for admissions, examinations, and student management.
- Recipient of Dr. T.M.A. Pai Overall Excellence Award (2020)

ACADEMIC & PROFESSIONAL PROFILE

Experienced Computer Science academician with 20 years of teaching, research, and academic leadership. Expertise in Artificial Intelligence, image processing, and cloud-based systems with strong contributions to academic digital transformation. Proven track record in Ph.D. supervision, funded research, and development of scalable university-level platforms including examination and student information systems.

CURRENT RESPONSIBILITIES

Assistant Professor (Senior Grade), Faculty of Computer Technology, Assam Down Town University

May 2026 – Present

- Teaching UG and PG courses in Computer Science and Information Technology.
- Research, publications, and project supervision.
- Student mentoring and academic advising.
- Industry collaboration and consultancy activities.
- Academic administration and departmental responsibilities.
- **Head, ERP, LMS & Examination IT Cell** – overseeing university-wide academic and examination technology platforms.

RESEARCH INTERESTS

- Cloud Computing & Distributed Systems
 - Cyber Security
 - Data Analytics & Smart Systems
 - Artificial Intelligence & Machine Learning
-

EDUCATIONAL QUALIFICATIONS

- **Ph.D., Computer Science & Engineering**, Tezpur University, 2018
 - **M.Tech., Information Technology**, Tezpur University, 2005
 - **M.Sc., Mathematics**, Tezpur University, 2003
 - **PGDCA, Computer Science**, Gauhati University, 2001
 - **B.Sc. (Hons), Mathematics**, Gauhati University, 1998
-

PH.D. DETAILS

Title: *Prediction of Future Appearances of Child's Face Images*

Supervisor: Dr. Bhogeswar Borah, Professor, CSE Dept, Tezpur University, Assam

Summary: Developed advanced image-processing and computational models for facial age progression and transformation, with applications in biometrics and forensic analysis.

TEACHING EXPERIENCE

Experience: 20 Years

Assam Down Town University, Guwahati

- Assistant Professor (Senior Grade): May 2026 – Till Date

Sikkim Manipal Institute of Technology (SMIT), Sikkim

- Assistant Professor (Selection Grade): Feb 2020 – Jul 2025
- Assistant Professor-I: Oct 2017 – Jan 2020
- Lecturer / Assistant Professor-II: Oct 2005 – Oct 2017

Courses Taught

- Programming (C, C++, Java, Python)
 - Data Structures & Algorithms
 - Computer Graphics
 - Web Technologies
 - Cyber Security
 - Cloud Computing
 - Finite Automata & Numerical Techniques
-

ACADEMIC LEADERSHIP & ADMINISTRATION

- **Head, IT Council** – Led institutional IT strategy and digital transformation initiatives
 - **Chairman, Software Development Teams** – Delivered university-wide systems (Admission, Examination, SIS)
 - Member, Admission Committees
 - Departmental Coordinator & Lab In-charge
 - Major Project & Budget Coordinator
 - **Head, ERP, LMS & Examination IT Cell** – overseeing university-wide academic and examination technology platforms.
-

INDUSTRY & PROFESSIONAL EXPERIENCE

Director & Founder

RWORLD COMPUTER SOLUTIONS (OPC) PRIVATE LIMITED (STARTUP)

Jul 2020 – Present

- Founded and led my own technology startup, initially part-time (Jul 2020 – Jun 2025), transitioned to full-time from Jul 2025 to April 2026.
- Managed software development projects, client relations, business operations, and strategic growth.
- Delivered web, mobile, and custom IT solutions for clients across sectors.

Lead Technologist

ContexQ Pte Ltd

Oct 2024 – Aug 2025 (Part-time)

- Led technical strategy, product development, and system architecture initiatives.
 - Oversaw engineering execution, innovation planning, and technology implementation.
 - Collaborated with cross-functional teams to build scalable digital solutions.
-

RESEARCH PROJECTS

- **Mobile Application for SMIT Campus** (Principal Investigator)
Developed a unified app supporting academic, administrative, and student services.
 - **Orographic Rainfall Prediction for Landslide Warning (Ongoing)** (Co-PI)
Developing AI-based early warning system using DWR data, PI- Dr. Swastika Chakraborty
-

KEY PROJECTS & CONSULTANCY (SELECTED)

- Developed **Online Proctored Examination System** – Conducted university-wide examinations during COVID-19 (5000+ users)
 - Developed **Online Admission System** used for end-to-end university admissions
 - Designed **Learning Management System (LMS)** for digital learning
 - Developed **Student Information System & Mobile Apps**
 - Created **E-commerce & API Platforms** for real-world applications
 - Designed and Associated with **ERP System**
-

RESEARCH SUPERVISION

- Ph.D. Scholar: 1 (Ongoing)
- Name: Ashis Datta
- Title: Computer Aided Prediction of Selected Brain Related Diseases From Radiology Images
- Status: Thesis under submission

TECHNICAL EXPERTISE

- **Programming:** Python, Java, C, C++, PHP, JavaScript, MATLAB
- **Frameworks:** Django, Laravel, CodeIgniter, React Native, Next.js
- **Cloud:** AWS, Azure, GCP
- **DevOps:** Docker, Kubernetes, GitHub Actions
- **Systems:** Linux, Apache, Nginx

AWARDS & RECOGNITION

- **Dr. T.M.A. Pai Overall Excellence Award (2020)** – Best Employee across constituent colleges of SMU
- **Best Employee Award (2020)** – SMIT
