ACADEMIC HIGHLIGHTS

- **19+ Years of Full-Time Teaching Experience**
- **Ph.D. in Computer Science & Engineering (Tezpur University)**
- Publications in Journals & Springer-Indexed Conferences
- Ph.D. Supervision: 1 (Ongoing)
- Developed 15+ large-scale academic systems used for admissions, examinations, and student management.
- Recipient of Dr. T.M.A. Pai Overall Excellence Award (2020)

ACADEMIC & PROFESSIONAL PROFILE

Experienced Computer Science academician with 19+ years of teaching, research, and academic leadership. Expertise in Artificial Intelligence, image processing, and cloud-based systems with strong contributions to academic digital transformation. Proven track record in Ph.D. supervision, funded research, and development of scalable university-level platforms including examination and student information systems.

RESEARCH INTERESTS

- Artificial Intelligence & Machine Learning
- Medical Image Analysis & Biometrics
- Cloud Computing & Distributed Systems
- Data Analytics & Smart Systems

EDUCATIONAL QUALIFICATIONS

- **Ph.D., Computer Science & Engineering**, Tezpur University, 2018
- **M.Tech., Information Technology**, Tezpur University, 2005
- **M.Sc., Mathematics**, Tezpur University, 2003
- **PGDCA, Computer Science**, Gauhati University, 2001
- **B.Sc. (Hons), Mathematics**, Gauhati University, 1998

PH.D. DETAILS

Title: *Prediction of Future Appearances of Child's Face Images*
Supervisor: Dr. Bhogeswar Borah, Professor, CSE Dept, Tezpur University, Assam
Summary: Developed advanced image-processing and computational models for facial age progression and transformation, with applications in biometrics and forensic analysis.

TEACHING EXPERIENCE

Total Experience: 19 Years and 09 Months
Sikkim Manipal Institute of Technology (SMIT), Sikkim

- Assistant Professor (Selection Grade): Feb 2020 – Jul 2025
- Assistant Professor-I: Oct 2017 – Jan 2020
- Lecturer / Assistant Professor-II: Oct 2005 – Oct 2017

Courses Taught

- Programming (C, C++, Java, Python)
- Data Structures & Algorithms
- Computer Graphics
- Web Technologies
- Cyber Security
- Cloud Computing
- Finite Automata & Numerical Techniques

ACADEMIC LEADERSHIP & ADMINISTRATION

- **Head, IT Council –** Led institutional IT strategy and digital transformation initiatives
- **Chairman, Software Development Teams –** Delivered university-wide systems (Admission, Examination, SIS)
- Member, Admission Committees
- Departmental Coordinator & Lab In-charge
- Major Project & Budget Coordinator

INDUSTRY & PROFESSIONAL EXPERIENCE

Director – RWorld Computer Solutions (OPC) Private Limited

- Leading academic software architecture, cloud deployment, and institutional consultancy
- Delivered scalable digital platforms for universities and organizations across multiple domains

---

RESEARCH PROJECTS

- **Mobile Application for SMIT Campus** (Principal Investigator)
  Developed a unified app supporting academic, administrative, and student services.
- **Orographic Rainfall Prediction for Landslide Warning (Ongoing)** (Co-PI)
  Developing AI-based early warning system using DWR data

KEY PROJECTS & CONSULTANCY (SELECTED)

- Developed **Online Proctored Examination System** – Conducted university-wide examinations during COVID-19 (5000+ users)
- Developed **Online Admission System** used for end-to-end university admissions
- Designed **Learning Management System (LMS)** for digital learning
- Developed **Student Information System & Mobile Apps**
- Created **E-commerce & API Platforms** for real-world applications

RESEARCH SUPERVISION

- Ph.D. Scholar: 1 (Ongoing)
- Name: Ashis Datta
- Title: Computer Aided Prediction of Selected Brain Related Diseases From Radiology Images
- Status: Thesis under submission

COURSE DEVELOPMENT

- Designed curriculum for Data Structures, Cloud Computing, and Cyber Security
- Developed lab modules and project-based learning frameworks

TECHNICAL EXPERTISE

- **Programming**: Python, Java, C, C++, PHP, JavaScript, MATLAB
- **Frameworks**: Django, Laravel, CodeIgniter, React Native, Next.js
- **Cloud**: AWS, Azure, GCP
- **DevOps**: Docker, Kubernetes, GitHub Actions
- **Systems**: Linux, Apache, Nginx

AWARDS & RECOGNITION

- **Dr. T.M.A. Pai Overall Excellence Award (2020)** – Best Employee across constituent colleges of SMU
- **Best Employee Award (2020)** – SMIT
- **Finalist**, National Awards for e-Governance 2020-21, Department of Administrative Reforms & Public Grievances, Government of India
